FR: Executive Director

RE: Resolution Nos. 4025, Revised and 4032, Revised – Allocation of TDA and RM2 Funds – Change to the January Commission Item

The Commission consent item providing for the allocation of Transportation Development Act (TDA) and Regional Measure 2 (RM2) funds through Resolution Nos. 4025, Revised and 4032, Revised has been changed from the version that was provided for review and referral to the Programming and Allocations Committee at its meeting on January 11, 2012. Resolution No. 4025 has been corrected to reflect the allocation of \$2.9 million in transit operating funding to FAST (Fairfield and Suisun Transit) that had been approved by the Commission in December 2011 but was inadvertently omitted from the resolution presented to the Programming and Allocations Committee.
